# TOURNAMENT RULES

Tournament is played by the [official 5x5 beach ultimate rules>>](#). Follow the highlighted link or find a set of rules in every field (tied to the secretary chair).

## You need to know that:

Each team on the playing field can use maximum 5 players, minimum 4. Teams must play with at least 2 woman on the field.

Stall count is 10 seconds.

The brick point is set 10 meters into the playing field counting from the end zone line.

Time cap - 45 minutes.

First team to score thirteen (13) goals - wins.

Paga-rule applies in the initial pool games (on Friday). When the time cap is reached teams finish playing the point. If the score difference is 3 pts. or more - the game stops and the result stands.

On Saturday and Sunday games there will be no paga-rule. When the time cap is reached teams finish the point and add 1 to the higher score to set a new point cap (not larger than 13 pts.).

Teams have 1 timeout (90 sec.) per game.

Half time occurs when a team first scores seven (7) goals or after 25 minutes of the game (if after 25 minutes of the game neither team has reached 7 goals, teams finish playing the current point and the half time occurs). Half time lasts zero (0) minutes.

Team will be penalized by 1 point for every minute late to the game starting from the 5th minute of the game.

## Gender ratio

Gender ratio **rule B** will be used (At the start of the game, After the first disc flip an additional disc flip happens with the winner selecting which end zone is "End zone A", with the other end zone becoming "End zone B". At the start of each point the Team that is at End zone A must choose the gender ratio. This process applies for the first half. For the second half, at the start of each point the Team that is at End zone B must choose the gender ratio).

## Tiebreaker

1. Head to head;
2. Point differential (games between tied teams);
3. Points scored (games between tied teams);
4. Points missed (games between tied teams);
5. Total points scored;
6. Total points missed;
7. Draw.

## MVP's

MVP's will be awarded by the stats (# of assists, points and blocks) from the two final games, i.e. game for the 3'rd place and the grand final for the 1'st place.

# TOURNAMENT RULES

## Volunteers

In this event we will have volunteers. Many of them do not know and will not be able to explain you the rules or answer questions related to the game etc. - it is your responsibility to know the rules! So please, don't be disappointed if volunteers will not inform you, they will be in SUN BEAM to keep score and time of your games.

## Points we want to bring to your attention to

If a game overlaps 55 min. limit, the next game will start immediately after the overlapped game finishes.

Teams that finish their games late should leave the field as quick as possible after their game.

One player can play for only one team.

Do not forget to evaluate SOTG in the google forms with your team after every game. The google form can be [found here](#).

## TEAM CAPTAINS,

It is your responsibility to make sure that everyone in your team knows the rules!

# FORMAT

## Friday

All teams are divided into 4 groups (A, B, C and D) of five teams, accordingly to their seeding. Teams play robin-round games in the initial groups.

## Saturday

After the poolplay on Friday, new pools are being formed. TOP 3 teams from each group are advancing to the power pools, whereas #4 and #5 from the group games will form two lower pools.

### Power pools

TOP 3 teams from each group will form 4 new power pools (E, F, G and H) of 3 teams each. Then robin-round games will be played. #1 team from each power pool will advance to the semi-finals. #2 from each power pool will advance to semis for 5-8 place, #3 - to semis for 9-12.

### Lower pools

#4 and #5 teams from each initial group will form two lower pools (J and K) of four teams. Robin-round is being played, games carry over (i.e. teams that have played in the initial groups don't meet again, group's game result stands). After the robin-round teams #1 and #2 from the lower pools advance to semis for 13-16 places. Teams #3 and #4 from the lower pools meet in the semis for 17th place.

## Sunday

The finals. All teams play one final game to determine their final standing.

# How to get around @SUN BEAM

All you need to know about important tournament-related locations, how to get there + some additional local tips ;)

## THE FIELDS

*This year fields will be placed in a different area*, around 2 km north from the beach where SUN BEAM used to take place:

The X in this map marks the previous location of the fields. This year it is more convenient to take a ferry from **OLD FERRY PORT** (the one on top, Danės g. 1, Klaipėda), rather than the New ferry port if you are walking or cycling to the fields. If you want to come with your car – the only option is the **NEW FERRY PORT** (the one on the bottom, Nemuno str. 8), because only this ferry takes cars.

We have prepared a much more detailed map for you, with parking lots, ferry ports, party locations, bike rentals and a couple of places to eat. Follow this link to see the [TOURNAMENT MAP>>](#)

**WHO  
WANTS TO  
PARTY??**

# PARTY TIME

We know there was a lack of public communication from our side lately, we respond to PM's only. And all of you deserve an explanation about the circumstances of that as they may affect you as well. The government was trying to shut us down completely because we were about to leak sensitive information. But this time they can't stop us. WHAT YOU HAVE TO KNOW is that on 20'th JULY Europe citizens lives are going to be AT STAKE! There is a 90% risk of a major nuclear leak during an inevitable nuclear operation, a disaster much greater than Chernobyl may occur 🙀🙀🙀

There is no safer place to hide than the underground. But before that...

## BEACH PARTY | Friday @ 19:00

Who wants to stay still when they know that the worst may happen? Let's not waist time and chill on the beach while we still can. Friday beach party will take place next to the fields, in the central Smiltynė beach. The music starts right after the last games 🎵

Don't forget to bring cash on Friday, because there sometimes are problems with the radio connection that makes impossible to use a credit card (we told you, the government... 😂)

# PARTY TIME

Friday beach party will take place next to the fields, in the central Smiltynė beach, right by the station. The music starts just around the end of the last games, ~ 7 PM. This party is planned to be a 'chilled hang out in the beach, enjoy the sand and warm up for tomorrow' kinda party. Live vinyls will be spoiling us all evening up until the sun goes down, the sun goes down... 🎵 So drinks, big smiles and a light party to open the tournament. The last ferry leaves to the old ferry port at 00:15, the Friday beach party will be finished by then.

There might be very basic snacks available to buy on the beach, you can also have dinner in a few places in Smiltynė or have dinner in Klaipėda (you have to take a ferry for this one though). You can always prepare a nice picnic and do it on the beach after your last games 😊

You will find a "wellcome drink" coupon in your players package, which you will be able to convert into a drink on Friday night party (**only on Friday night!**). You can use your coupon only in the evening, once the music starts, it will not be valid during the daytime. 🍻

# PARTY TIME

## RADIOACTIVE PARTY: the nuclear disaster | Saturday@22:00

Saturday party will take place in the safest place miles around - the bar BUNKER. Seems that the nuclear disaster is almost inevitable 🤖🤖 So let's dance our hearts out cause who knows what the hell is going to happen next 🎵🎵🎵

Saturday party will take place in **the bar BUNKER>>** The door opens at 10 PM and the party will last until the dawn.

Don't forget to put your party bracelets on for this one (you will find them in you player pack), as bracelets will be tour tickets to the party. You will be able to pay by cash or credit card at the party.

# SOTG SCORING

Do not forget to evaluate **SOTG** in the google forms with your team after every game. The google form **can be found here>>**.

If you have ran out of data or your battery just died – do not hesitate to find one of the STAFF members and they will help you to fill in the form.

# THINGS YOU WANT TO KNOW 10

## 01 CURONIAN SPIT ENVIRONMENT PROTECTION

The environment in all the Curonian spit is protected. We want to remind you that it is forbidden to build tents anywhere on peninsula! As well as to make fires, climb or descend, run through the dunes or walk not by indicated paths, leave trash or in any other way to endanger the nature in the Curonian spit. You can get a big fine for that.

## 02 THE WEATHER

It is often windy on our coast line, so don't forget to grab some warm clothes, even though it is the middle of summer. Just in case you got opportunity to enjoy the "Baltic Summer". Sun screen is still a must though, better safe than sorry ;)

## 03 FOOD AND DRINKS NEXT TO THE FIELDS

There will be a possibility to buy some snacks and drinks next to the pitches. There is a small bar on the beach, just keep in mind, that the assortment is very limited + **only CASH**. There are also a couple of small local restaurants a few hundred meters away from the beach in case you get really hungry.

## 04 WATER

There will be a tap on the beach with drinking water, so you will be able to refill your bottles whenever you like. We will also have some sports drink available for players consumption in the main tent, feel free.

# 10 THINGS YOU WANT TO KNOW

## 05 LUNCH

If you have ordered lunch it should be available between 12:00 and 14:00 in the main tent. If you see people already eating their lunch – please, take the order of your team as soon as you can, thanks in advance!

## 06 TOILETS, WASHROOMS

There are stationary public toilets (next to the bar) and bio toilets (somewhere around the entrance to the beach). The players of the tournament have a priority to use the bio toilets, so if you have a game coming – don't hesitate to jump to the front of the line if necessary.

## 07 THE PARKING

If you are coming to the fields with a car – there is rather limited parking space available. Parking lots are mostly payed and you can find them on our [TOURNAMENT MAP>>](#) . There is a way to make paying for parking a bit easier – use an app called [Unipark>>](#)

## 08 ALCOHOL POLICY

Alcohol is only sold to 20 year olds and older people in Lithuania. Another thing: you can buy alcohol in the stores only up till 20:00 o'clock. On Sunday alcohol is sold only until 15:00 o'clock. Drinking in public places is forbidden. Keep all of that in mind when planning your shopping trips and drink responsibly. You can buy alcohol in bars for unlimited hours.
